

19th Annual 7 Sisters Trail Race

Sunday, May 4, 2008

Organized by Sugarloaf Mountain Athletic Club
For the Benefit of the Friends of the Mt. Holyoke Range

9:00 AM
Amherst, Massachusetts

Twelve (12) very hilly, rocky miles

An out-and-back roller coaster ride along the ridgeline of the Mt. Holyoke Range on a single-track trail. Very scenic overlooks of the Pioneer Valley with views of the University of Massachusetts, Amherst College, Hampshire College and the Town of Amherst, as well as a beautiful view of the Connecticut River and Northampton to the west.

Extremely hilly with 3,700 feet of climb consisting of many steep hills with hazardous footing in places due to the many sharp basalt rocks the comprise the elevated ridge of Mt. Holyoke.

There are three aid stations along the route at approximately 3, 6, and 9 miles, so we strongly urge you to carry your own water supply since it can be quite warm on race day.

A "Trail Breakfast" consisting of fruit juices, bagels, cookies, yogurt, etc. will be provided immediately after the run and is free to all runners. Or it may be a pizza party. Who knows.

We are trying to work out what kind of t-shirts we will have this year. Hopefully we will have some cool max shirts. We will have some cotton ones too. The cotton ones will be \$5.00. The cool max shirts will be as inexpensive as we can make them.

Directions: Interstate 91 exit 19 north and 20 south (left on Damon Road at the lights) to Route 9 east. Turn right at light after bridge (Route 47). Turn left on Bay Road (approximately 1.5 miles after light). Go three miles to Route 116. Go right up hill to Notch Visitor's Center, Mt. Holyoke State Park.
